

S. P. SMITH, of Towarda, Pa., whose constitution was completely broken down, is cured by Ayer's Sarsaparilla. He writes:

"For eight years, I was, most of the time, a great sufferer from constipation, kidney trouble, and indigestion, so that my constitution seemed to be completely broken down. I was induced to try Ayer's Sarsaparilla, and took nearly seven bottles, with such excellent results that my stomach, bowels, and kidneys are in perfect condition, and, in all their functions, as regular as clock-work. At the time I began taking Ayer's Sarsaparilla, my weight was only 129 pounds; I now can brag of 150 pounds, and was never in so good health. If you could see me before and after using, you would want me for a traveling advertisement. I believe this preparation of Sarsaparilla to be the best in the market to-day."

#### What We Do At School.

LOCALS. Snow in winter is essential
To a cheerful, studious school;
It makes the small boy happy,
And keeps his hrainlets cool;
It makes a splendid wadding
His shoes and pants to fill,
And gives him great anusement
With his handsleigh on the hill.
And the ever busy jamitor
Is kept busher you know,
For sometimes when the walks are full
He'll shovel off the snow.
